

SLOUCH.

Let's assemble your chair

What's in the box	 Bolts ×5	 Washers ×5	 Allen Key ×1
 5 Star Base ×1	 Gas Unit ×1	 Seat Assembly (Arms if specified) ×1	 Backrest Unit ×1

Step One

Align backrest unit with seat.

Step Two

Combine the five washers with the five bolts. Align the five holes and insert the bolts — tighten with the allen key supplied.

Step Three

It's time to put it all together... insert the three components together and enjoy the best sit of your life!

We've got your back

SLOUCH.

Important Information

Assembly

—
The product should only be assembled and used on firm, level ground.

—
Check the pack and make sure you have all the parts listed.

—
Keep small parts out of reach of children.

—
Do not use power tools to construct as overtightening and part failure may occur.

—
Handle the cylinder carefully as it may contain grease that can stain chair fabric or clothing.

—
Ensure the product is fully assembled as illustrated before use.

Usage & Safety

—
For use by one person only.

—
Maximum user weight: 275 lbs.

—
Do not stand on the product.

—
Do not sit on the armrests or lean excessively backward or sideways.

—
Keep hands and fingers clear of moving parts when adjusting the chair.

Maintenance & Inspection

—
Check all screws or bolts are tightened and inspected regularly.

—
Do not overtighten screws or bolts.

—
Do not use the product if any components are missing, damaged, or loose.

—
Discontinue use immediately if any component becomes damaged or the product becomes unstable.

Warnings

—
Failure to follow these warnings could result in serious injury.

—
If in doubt ask
